The direct way to pay.

<p>What is NTELOS EZ-Pay?</p> <p>NTELOS EZ-Pay is a FREE service, which allows you to pay your bill directly from your bank account. You will no longer need to write a check, go to the payment office or use a stamp. This service is ideal for anyone busy with work, family, friends, or simply wants the convenience of not having to write and mail another check.</p> <p>How does it work?</p> <p>First, you will need to fill out the authorization form below and return it to NTELOS. The following month, NTELOS will verify your account information and the second month, the amount of your bill will be deducted from your bank account. It's that simple.</p> <p>Telephone customers whose charges vary every month due to Long Distance charges will continue to receive a statement monthly for their records. You will also notice a new line on your bill, which shows you that the amount due to NTELOS has been deducted from your account.</p> <p>Approximately 5 days after you receive your bill, NTELOS will automatically deduct the amount due from your bank account, either checking or savings, and then credit your NTELOS account from that amount. Fast, easy and free.</p>	<p>Can I discontinue participation in the NTELOS EZ-Pay Plan?</p> <p>You are free to request removal from the plan at any time. You must contact Customer Care at 1-877-468-3567 or if you are a PCS Wireless phone customer you may dial 611 from your PCS Wireless phone at least five days prior to your bill date or the amount of your bill for that month will be deducted from your account.
